NOTICE OF RENEWAL
NATIONAL TOXICOLOGY PROGRAM
SPECIAL EMPHASIS PANEL

I determine that renewal of the National Toxicology Program Special Emphasis Panel beyond January 7, 2011, is in the public interest in connection with the performance of duties imposed on the Department by law, and that these duties can best be performed through the advice and counsel of such a group. The Panel is continued until January 7, 2013.

I further deem that it is not feasible for the Department or any of its existing committees to perform these duties, and that a satisfactory plan for appropriate balance of Panel Membership has been submitted.
